

Garry Calder

Teaching Professional

Garry has been developing coaching programs for 25 years for all standards of golfers from club juniors to tournament professionals and continues to be innovative in his approach to raising the standards of his athletes

Gaz will assist you in finding the best plan for 'your' game, the swing is but a small part of golfing the ball.

"The mind should be nowhere in particular" – let it work

'Trying wastes energy that could be used for doing' ...
