

GOLFCLUB
INNOVATIONS

welcome to the team

ZANE NAVIE

INDOOROOPILLY
GOLF CLUB

Zane is a member of the Australian PGA, completing his training under Gary Calder. His interest has always been in golf equipment and during his traineeship he has specialised in golf club technology and shaft analysis, working closely with Gary and Golf Club Innovations.

Zane has spent a number of years in the USA and Europe developing his skills in fitting and building. From 2007-2011 he was a feature writer for Golf International, a European based golf magazine, while working at Urban Custom Clubs in London.

‘Zane is recognised worldwide as an industry leader when it comes to independent club fitting and R&D testing of golf equipment’

We welcome Zane to both Indooroopilly and to the Golf Club Innovations team and are delighted that our members can now take advantage of not only our state-of-the-art Game Shaping and Tech Centre, but also Zane’s world renowned skills.
