The Club Championship Cup

The Championship Cup was donated by H C Morrow, inaugural President 1926-32.

It was first contested in 1926 and Club records indicate there were sixteen entries the first year. A newspaper article in November 1926 reported on the 36 holes match play final between Stan Francis and R H Cumming.

“Stan Francis went to lunch 3 up but in the afternoon Francis was at sea on the greens and lost many holes to Cumming’s steadier and more effective holing out method”.

Cumming eventually won 4 & 3.

The most prolific winners of this event have been Budge Gill (5 times between 1934 and 1949) and Peter Davies (12 times between 1953 and 1970).

ARMY NAVY AIR FORCE CUP

Event first contested in 1933 for an engraved trophy, the Army, Navy, Air Force Cup, in honour of those who served their country in an area of combat. Because of the declining numbers of surviving servicemen the event was renamed as the Army, Navy, Air Force Memorial Cup in 2008 and a new trophy was donated by Alf Vockler.
