Pennants - Men

Men

Pennant golf in Brisbane began in 1928. In that first year Indooroopilly fielded an "A" team (five players of unlimited handicaps) and a "B" team (seven players on handicaps of 12 and over). Committee minutes from 1932 indicate that our "B" team won all their matches but there are no details or photographs of team members.

The earliest photograph we have of a winning team is the 1936 "A" Grade side.

1936 "A" pennant team winners:

Standing L-R: D.C. Dixon, R.W. Docker, D.W. Dixon, S.H. Phillips

Seated L-R: A.M. Morrow, G.H. Tabrett, G. Seaman, B. Gill, J.D. Land

Inset: J.W.H. Moxon

Absent: D.S. Cubitt

It is interesting to note the long-term influence of many of the players in this team. Three remained club members for fifty plus years and were awarded life membership (G. Seaman, S.H. Phillips and B. Gill), G.H. Tabrett donated the Tabrett Cup for competition between male and female pennant teams, J.W.H. Moxon donated the trophy for the honour board event known as the Moxon Cup, J.D. Land had two daughters who became Associate Captains (Judy Carter in 2000-01 and Estelle Bush in 2002-03), and A.M. Morrow's grandson Andrew was Club Champion in 1984.
