

# PAYG at Indooroopilly Golf Club

## only pay for the golf you play

For a variety of reasons there are years when, as much as you would like to, you can't get out to the Club every week ...or even every month, to play golf.

Pay as you golf (PAYG) has been developed with the needs of our time-poor members in mind and offers a reasonable annual subscription and a 'pay per game' option so that when you are not able to play regularly, you pay less.

### Full Member playing rights\*

All competition (usual comp fee payable) including Honour Board; voting rights.

\* because of the unique nature of this category, reciprocal playing rights are not able to be included.

### Available for the period 1 July to 30 June<sup>+</sup>

This category will be available for the full subscription year only, with application made before 30 June.

<sup>+</sup> excluding new members applications where a pro rata fee will be calculated

Subscription: \$1995

18 games/yr the annual cost would be	\$2805	\$405 saving
2.25 games/mth the annual cost would be	\$3210	Full member rate
