

Where do I start ?We had the most wonderful wedding on Saturday night and there is not one thing that we could fault. Your staff, especially Tegan & the young man behind the bar, were more than exceptional....our guests commented on the service, food and the way your staff conducted themselves. Our MC looked at your venue for his daughters wedding in April on our recomendation, and he and his wife could not be happier that they took our advice and booked with you. Rebecca and Anthony were so happy with everything and I am sure that on their return from their honeymoon will be contacting you personally. I just had to let you know how wonderful it was. Thanks also to you for all your help before the wedding, and your organisation for our special day.

We would like to thank you for your assistance in celebrating our special day. We had a great time at Indooroopilly Golf Club and the staff were extremely friendly, helpful and unobtrusive. The room and decorations looked fantastic and the food was wonderful. Thank you also for arranging the "right" limosine for us.

Thank you so much for providing a great location, music, food and wine to help us celebrate our special day. We were really impressed with your professionalism and flexibility and won't hesitate to recommend your venue to other couples looking for a fantastic reception package and a spectacular view of the sunset to kick off the party.

My husband and I would like to thank you and your staff for making Caitlin and Luke's wedding yesterday such a memorable day for us all. The room looked wonderful and everything ran so smoothly. Please also extend out thanks to the supervisor. Everything from canapes through to coffee was delicious and served in a freindly and efficient manner. We heard many favourable comments from our guests and all aspects of the running of the function were a credit to the Club and its fine staff. Congratulations on a job well done and many thanks to you Karen for your assistance.
