

# LADIES ANNOUNCEMENTS

**TUESDAY 19<sup>TH</sup> SEPTEMBER 2017**

## FROM THE LADIES VICE PRESIDENT

A full field of golfers enjoyed a very successful Lexus-sponsored Day last Thursday. IGC women look forward to this event each year, and the 2017 event lived up to the very high standard previously set at Lexus-sponsored events. We very much appreciate the support of the Scifleet family, in particular Patricia and her daughter Sarah, and look forward to continuing the relationship in years to come.

Nominations for 2018 Ladies Committee members are now open. Nomination forms are available from reception. There will be 4 members standing down, however 2 members intend to re-nominate- Claire Steffensen and Judith Ure. The Committee welcomes nominations as we plan ahead for continuing to work harmoniously in the best interests of the women members of IGC.

We were sad to hear of Noela Tranent's recent passing. She was an IGC member for 62 years!

Cheques will be presented to Charities on October 3 in the middle of the day. Please consider being in the upper Poinciana Bar area for those presentations.

We welcome our new Food & Beverage Manager, Claire Rowlands, and look forward to working with her.

Jay (Poinciana Bar manager) is offering monthly wine specials to members and will introduce this to the women today. Look for the specials at the Poinciana Bar and consider making your purchases at IGC rather than at other outlets!

## FROM THE LADIES CAPTAIN

Winner of Weekend Ladies Medal Winners Shield: Lyle Hubinger

**BDLG event- Meg Nunn Cup: Congratulations to Lyndal Plant and Marie Phillips** who were part of the winning team which won the Meg Nunn Salver 2017. They played for the Brisbane District, which consisted of a team of 6 players, against 6 other districts. The Meg Nunn Salver (Queensland District Team Championship) was held at McLeod Golf Club this year off the Black Tee Markers. Brisbane won 34 games and Central QLD/Central Highlands were next on 26.5.

Simone Bosci, Di Holtam and Di Roach (Meg Nunn Team 2011) caddied for Marie and were a great support. Thanks to Mary Burns for volunteering to caddie for the visitors.

**The Lexus day was a great day. The pace of play wasn't affected by the severity of the wind and Gerry commended the Ladies.**

**Pace of Play reminder:** Please use the strategies suggested in recent announcements to maintain reasonable pace of play.

***"Remember that your position on the golf course is directly behind the group in front of you, not in front of the groups behind you."***

**The Golf Shop staff is the best resource for advice regarding how the game is played or scored. Now that Club Championships are over there will be some fun games to end the year**
