

CORPORATE PACKAGES

2019-20

A corporate package with Indooroopilly Golf Club offers much more than access to one of Brisbane's elite golfing destinations. We understand that each business is different and for that reason, we offer a variety of corporate packages to address the particular needs of your business.

The benefits of investing in corporate packages at Indooroopilly Golf Club include:

- Access to our 36 hole championship golf facility.
- Getting to know your clients in a relaxed, positive and welcoming environment.
- Meeting and building relationships with like minded business professionals.
- Having dedicated staff and resources to look after your every need.

CORPORATE GOLF DAYS

As Brisbane's premier corporate golf destination, we understand the importance of a successful corporate golf day and what it represents – not only for your guests but also for the success of your company. A corporate golf day tells a story about who you partner with, how your business interacts and the value placed on clients and building relationships.

We have a dedicated Corporate Golf Coordinator, who, along with our Golf Operations Team, can work with you to organise and execute a highly successful event. For all enquiries, contact our Corporate Golf Coordinator on (07) 3721 2129 or alternatively, our Golf Shop on (07) 3721 2122.

We are pleased to host some of the biggest brands who entrust us with their corporate golf days year after year. Hear what our clients have to say in our testimonials below.

"ANZ have hosted our annual Corporate Golf Day at Indooroopilly Golf Club for the past 7 years. We have found the IGC to be a wonderful venue, with their convenient, central location not far from the CBD and superior facilities, it has always been a sought after invitation for our guests, and a wonderful networking opportunity for our brand positioning. We can rest assured the IGC understand the importance of this and will always go the extra mile to make sure the day is a success, as they have consistently done for us year after year."

Jenny Barry, QLD Institutional Coordinator | ANZ

"Our annual state charity golf event is one of the key dates in the Westfield community calendar. It is about raising and donating 100% of all funds to worthy Queensland based charities. We are very proud to align such a worthy cause with our contractors and suppliers in a celebratory day that also grows our stakeholder relationships. The importance we place on this event is met by the professional approach provided by the full team at the golf club. We find the central location of the course, high standards of the facilities and catering instrumental in delivering our event. This year will see the third successful year of our partnership. We specifically selected the Indooroopilly golf course team to partner our event, which we hope may one day include both premium courses."

Garth Haslam, Centre Manager | Scentre Group SCM Chermiside

"Indooroopilly Golf Course were a pleasure to deal with from start to finish. Onsite, the Indooroopilly team took care of everything without a single hiccup while also keeping me well informed throughout the day. All our delegates had a wonderful day and raved about the course and service. The course is close to the CBD which is extremely convenient for multiple day conferencing with accommodation being just a short bus trip away. The facilities and catering were also outstanding with an abundance of freshly prepared food and presentation being of the highest quality, our delegates got 5 star service on and off the course. I would recommend ICG to others looking to hold a corporate event or golf day."

Hayley Eastham, Senior Events Coordinator | ASFA – The Voice of Super

SPONSORSHIP OPPORTUNITIES

Our valued corporate clients will be given sponsorship opportunities for both member events and for the many charity events on our calendar.

If you are interested in discussing opportunities, please phone (07) 3721 2113.
