

ROD HUME

TEACHING PROFESSIONAL

I have been a member of the club since 2000 and working in at club from 2010. Graduated PGA Professional with a master's accreditation in coaching. I enjoy coaching golfers to find the right swing for their game, rather than one swing for all golfers.

With a keen interest in the science and numbers of the golf swing, I enjoy data analysis of the swing, but keeping it as simple as possible.

Whether it is improve your swing, undertake a gapping session or to fit you with a new set of golf clubs, I will tailor the lesson to your golfing goals.

Testimonial

"I started doing work with Rod and immediately I saw positive results. With the help of Trackman and Rod, I finished 7th in both the NZ Open and QLD PGA."

"Trackman made the most difficult swing changes so easy to comprehend and I can see how it could benefit a golfer at any level."
