OSSIE WALKER 1937 - 1971

Ossie Walker as a leading tournament golfer
in the 1930's

Ossie Walker was head professional at Indooroopilly for 34 years from 1937.

Ossie did his apprenticeship with Mick Stafford at Brisbane Golf Club.

He won the Qld Close Championship from Norman von Nida in 1934 and he had been at Indooroopilly for only 3 months when he caught the train to Sydney and almost won the Australian Open – his putt at the last ran around the lip but did not drop.

Ossie scored a 2 on every hole at the St Lucia links except the 1st and 6th, plus a hole-in-one at the 8th and 11th.

He died in 1971 at the age of 59. We are indebted to the family of Ossie Walker for donating many of the trophies won by him for display at the Club. The VO Walker trophy is awarded annually for a 36 holes net stroke event for women and the winner's name is engraved on the Qld PGA Championship Cup won by him.
