In her first championship match Miss Kath Dixon, who is just out of her teens, has gained the coveted State title, and proved herself to be one of the outstanding players in Australia.

AUDREY HOLT was born in NSW in 1907 and was a professional dancer, touring to Western Australia in the chorus of JC Williamson's Rose Marie. She never lost her love of being on stage as she starred in many Indooroopilly Golf Club Christmas concerts. Audrey married James Holt, a brilliant young engineer, and started her golf at Ryde Golf Club where she was Associates Champion in 1931. James transferred to Brisbane as chief engineer on the Story Bridge, later became Coordinator General and earned a knighthood. When they arrived in Brisbane transport was a problem so Audrey joined Brisbane Golf Club where she travelled by train from Brunswick Street to Yeerongpilly. She was in the first Queensland team sent away for interstate matches (Sydney 1938) and in 1945 she beat the legendary Dot Hood to become Brisbane Golf Club Associates Champion.

The Holt family moved to a house opposite Ironside State School in 1939 and after the war she joined Indooroopilly, often walking to golf with club professional, Ossie Walker, a great friend who lived opposite. Audrey had four children and son Adrian remembered when his mother was playing 36 holes, being left with the greenkeepers whilst the younger children were brought over by their nanny for lunch.

Audrey captained the winning Queensland Gladys Hay team in 1956. She was Lady Captain from 1948-52, women's Club Champion in 1954 and '56, Lady President from 1972-74 and in 1981 was awarded life membership of the Club.

In her later years Lady Holt still contributed to the Club and was in charge of the cake stall for Charity Day for years. Even after a stroke left her with one weak arm, she managed to turn out magnificent fruit cakes – her last one at the pennant party in 1993 judged her best ever.

JOAN IRVING was a member of Indooroopilly from 1948 until 1967 and worked in the office, firstly with John Armstrong and then with Alby Willett. Joan was a fine golfer and won the women's championship in 1952, '53, '62, '63 and '64 and the foursomes championship ten times. Pam Langford remembered playing Joan in Club championship finals many times during the fifties and sixties and had a vivid memory of one wet final with the 9th and 10th fairways at St Lucia flooded. Jack Surman loaded players, caddies and clubs onto the back of a tractor and ferried them across the flooded fairways. Joan represented Queensland for many years as a player and a captain and in 1986 she began a long list of Australian team captaincies and also became a national selector.

PAM LANGFORD joined the Club in 1957 and went on to win ten Club championships, her first at age eighteen. Her mother, Mrs G W Tait, had been Club Champion in 1949 and her father was a pennant player of considerable ability.

Pam represented Queensland with Gail Corry, when they won the first junior interstate series to be held in Australia. They later donated the Junior Jug trophy for match play between the districts of Queensland to commemorate their win. Pam played in and captained many Queensland teams and represented Indooroopilly in pennants for decades.

Twenty years of golf administration culminated in Pam being named President of Women's Golf Queensland in 1996. Pam and her male counterpart, Queensland Golf Union President Peter Davies, completed an historic double for Indooroopilly. It was the first time that presidents of WGQ and QGU had come from the same club.

This photograph was taken on board SS Orion on arrival at Tilbury Docks, England on 5 May, having left Sydney on 4 April. Joan recalled the team having 128 pieces of luggage which included huge quantities of food parcels. Team members were billeted by local families and always left a food parcel as the UK still had stringent food rationing in the postwar years.

The tour of the British Isles finished with a farewell dinner at The Dorchester on 7 July. Joan, together with Maxine Bishop and Judith Percy, then toured Scotland, England and the continent for two and a half months in an Austin A40 car provided by UK Motors in Brisbane, arriving back in Sydney on the RMS Orcades in late October.

LYNDAL PLANT won her fifth Club championship in 2008, defeating Di Holtam in the final.

Lyndal joined Indooroopilly in 1983 from North Queensland when she arrived in Brisbane to begin work at the Queensland Forestry Department. She had played schoolgirl golf for Queensland and was on a five handicap so was a welcome addition to the Grade 1 pennant team.

Apart from a brief sojourn in Perth Lyndal has been part of the pennant team for many years, in spite of full time work as an arborist with the Brisbane City Council.
