

Coogera (*Arytera divaricata*) A young tree planted on the LHS of Red 1 fairway, near the approach to the green.

Corduroy Tamarind (*Mischarytera lautereriana*) A young tree planted on the RHS of Red 4 tee-block, with new leaves & fruit close-ups below.

Crown of Gold (*Barklya syringifolia*) Several young trees have been planted, including one on the RHS of Red 4 tee-block. This species has very attractive flowers, produced after about 10 years. This image is not from IGC, but from another site, to show what ours will eventually look like! Below is a leaf close-up from a young tree on RHS Red 5 tee.

Davidson's Plum (*Davidsonia pruriens*) A young tree planted on the RHS Red 4 in front of tee-block, with leaf close-up below.

Deep Yellowwood (*Rhodosphaera rhodanthema*) A single tree planted on the LHS Red 1 fairway near the pond, with leaves close-up below.

Denhamia (*Denhamia celastroides*) A young tree planted on the LHS Green 5 fairway.

Diamond Pittosporum (*Auranticarpa rhombifolia*) A young tree planted on the RHS Green 8 fairway.

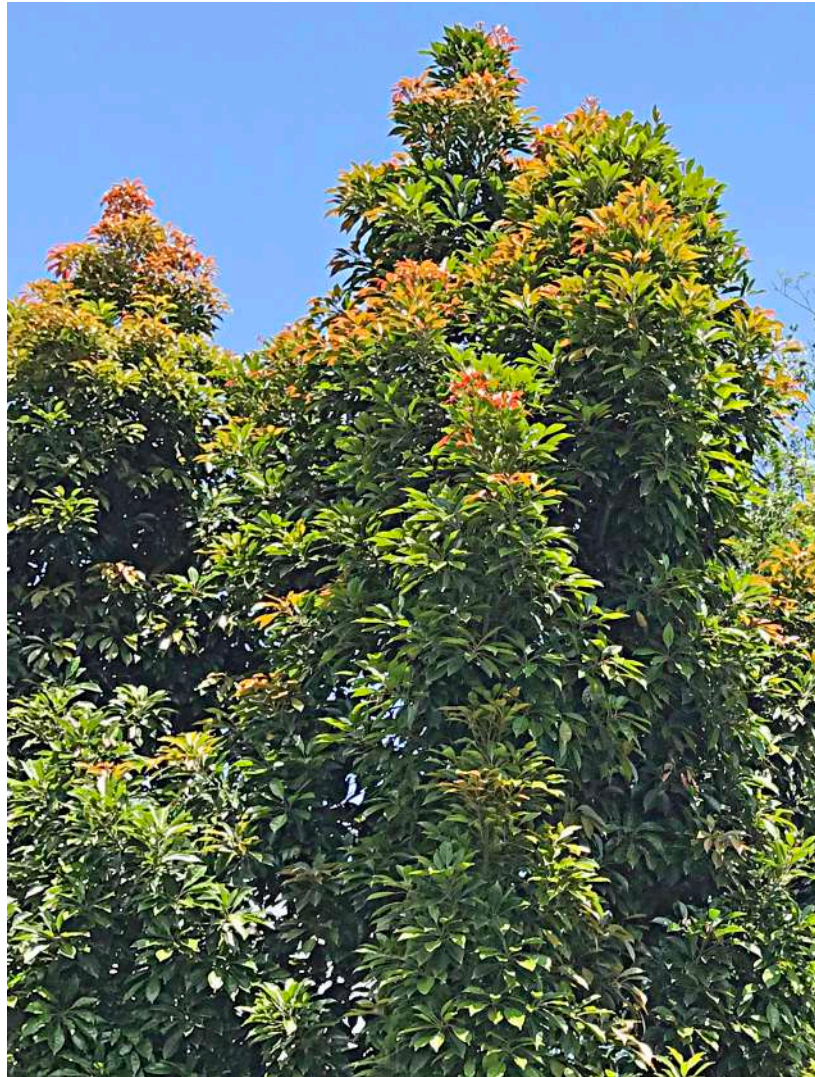

Durobby (*Syzygium moorei*) A young tree planted on the RHS Red 8 fairway, with close-up of leaves below.

Empress Tree (*Paulownia tomentosa*) A young tree planted on the RHS Green 9, near the green in the shade of the Weeping Figs.

Eumundi Quandong (*Elaeocarpus eumundii*) A prominent row of trees with attractive new foliage on the LHS of Red 5 men's tee-block, with flowers close-up below.

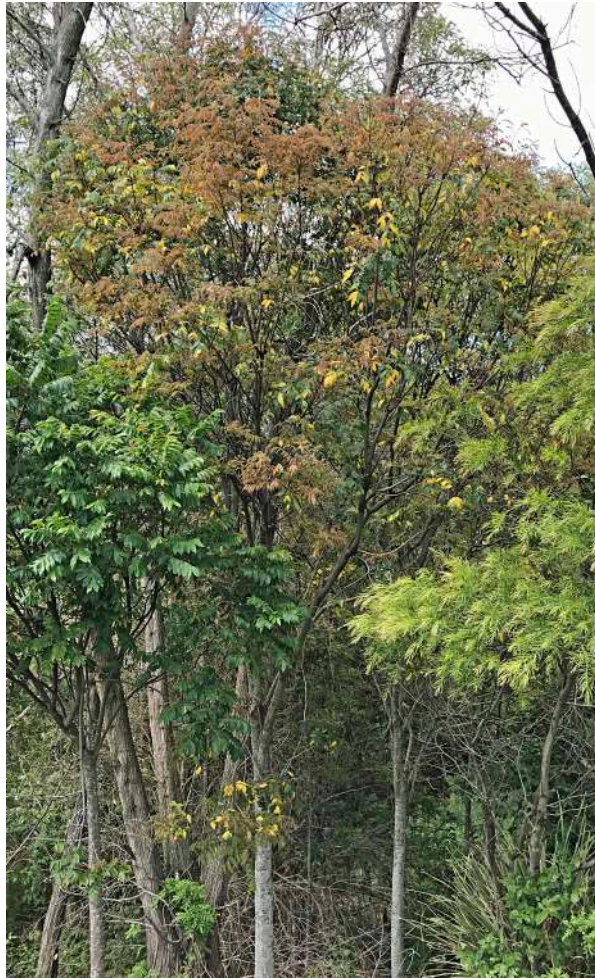

Fine-leaved Tuckeroo (*Lepiderema pulchella*) A prominent row of trees with attractive new foliage on the LHS of Red 5 men's tee-block.

Flintwood (*Scolopia braunii*) A local rainforest tree planted (pJW) on the LHS of Red 4 men's tee-block. Image provided by Joan Wilkinson.

Foambark (*Jagera pseudorhus*) A small group of trees on the RHS of Red 7 men's tee-block, with close-ups of flowers and fruit below.

Giant Water Gum (*Syzygium francisii*) A young tree on the RHS Gold 2 women's tee, with close-up of leaves & fruit below.

Glossy Laurel (*Cryptocarya laevigata*) A young tree on the RHS Red 4 men's tee.

Golden Penda (*Xanthostemon chrysanthus*) A number of trees with bright yellow flowers in Autumn are planted widely across the Blue and Green nines.

Grey Ironbark (*Eucalyptus siderophloia*) A young sapling planted on the LHS Red 6 fairway.

Griffith Pink Kurrajong (*Brachychiton populneus* x *B. discolor*) A young hybrid tree planted on the RHS Red 8 pathway to the Red 9 tee-block, with flower close-up below.

Hairy Alectryon (*Alectryon tomentosus*) A young tree planted on the LHS Green 5 fairway, with leaves & flower close-up below.

Hairy Rosewood (*Dysoxylum rufum*) A young tree planted between Red 3 & 4, with leaves & flower close-up below.

Hairy Walnut (*Endiandra pubens*) A young tree planted along the LHS Green 5 fairway.

Hairy-leaved Lollybush (*Clerodendron tomentosum*) A young tree planted along the LHS Red 1 fairway.

Hickory Wattle (*Acacia disparrima*) A young tree planted along the RHS Gold 6 fairway, with flower close-up below.

Koda (*Ehretia acuminata*) Above is a young tree planted along the RHS Green 5 fairway, with a flower close-up from an older tree behind the Gold 5 green below.
