

COACHING PROFILE

Rod Hume

Rod has been a member of Indooroopilly Golf Club since 2000 and has worked at the club since 2010.

A graduated PGA Professional with a master's accreditation in coaching, Rod enjoys coaching golfers to find the right swing for their game, rather than one swing for all golfers.

With a keen interest in the science and numbers of the golf swing, Rod enjoys data analysis of the swing, but keeping it as simple as possible. Whether it is to improve your swing, undertake a gapping session or to fit you with a new set of golf clubs, he will tailor the lesson to your golfing goals.

Testimonial

"I started doing work with Rod and immediately I saw positive results. With the help of Trackman and Rod, I finished 7th in both the NZ Open and QLD PGA."

"Trackman made the most difficult swing changes so easy to comprehend and I can see how it could benefit a golfer at any level."

Aaron Pike, Tour Professional
