The Indooroopilly Golf Club Members App is now available to download to your smartphone from the App Store, search "Indooroopilly Golf Club".

Once you have downloaded the application you can login using:

Username Member Number
Default Password Surname in lower case

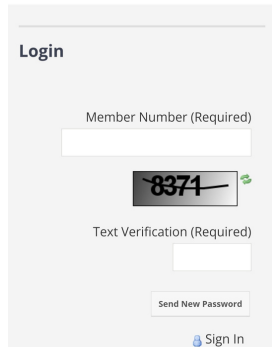

We recommend you change your password from this default using the instructions below.

Password Reset via App

On the App login screen, select the "forgot password" option under the green Sign In button.

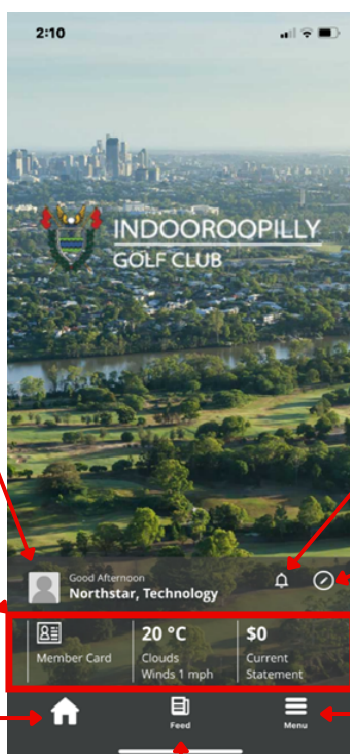

Enter your Member Number and the Text Verification captcha then select Send New Password.

A password reset email will then be sent to your email address on file. This will be the email that you receive correspondence from Club.
