## **Forfeits**

Once the Match Play draw has been determined it is not expected there will be any withdrawals. However, it can happen that a member who has qualified is unable to play for health, injury or other legitimate/acceptable reasons. The following protocols will apply in the event of a withdrawal:

### **Withdrawal before the quarter finals**

Golf Operations will take reasonable steps to contact the highest ranked reserve in qualifiers from that age group (i.e. qualifiers 9 onwards) and offer that person the vacated spot without otherwise adjusting the draws.

The first person offered who confirms acceptance will be given the spot.

*As there will be no adjustment of the draw, this means that a person ranked 9<sup>th</sup> or 10<sup>th</sup> could end up filling the #1 seed position..*

The first person offered who confirms acceptance will be given the spot.

### **Withdrawal after Quarter Finals**

The highest ranked loser within that group from the just-completed round will be offered the spot.

Golf Operations will take reasonable steps to contact the highest ranked loser and offer that person the vacated spot. The first person offered who confirms acceptance will be given the spot.

This means that someone who moves to the next round could end up playing the person they defeated in a previous round.
