Brisbane Golf 2025

Friday 7th November
Indooroopilly Golf Club
Meiers Rd, Indooroopilly
www.indooroopillygolf.com.au

Par 5 GM Message

We invite you to join us for Par 5 Brisbane Golf at Indooroopilly Golf Club 7th November 2025. Set in tranquil parkland bordering the Brisbane River, this beautiful course delivers a premium golfing experience, with 36 holes of championship golf to challenge and excite, and clubhouse facilities to match.

James Stewart

This is not another corporate or charity golf day – this your introduction to Par 5 – a unique world-first business program run by Pancare; the leading Australian organisation committed to improving lives and outcomes for people impacted by upper gastrointestinal (GI) cancers.

Upper GI includes five lethal cancers: pancreatic, stomach, liver, oesophageal and biliary cancer. All have horrendous survival outcomes, **taking the lives of more than 9,000 Australians every year**, leaving families devastated. **This is unacceptable and must be addressed through much greater targeted investment in world-leading research.**

Par 5 offers members unprecedented, private, and compelling customer acquisition, procurement, and business partnership opportunities. We work with members to identify opportunities, make connections, and achieve tangible business outcomes through facilitated networking and premium events. **Funding is generated for cancer research via revenue-sharing arrangements with members doing business through the program.**

Come and play this incredible course and learn about the disruptive new program that's **transforming the commercial and NFP landscape and the future of cancer patient outcomes.**

Cancer is everyone's business and Par 5 is playing the long game of investing in sustainable cancer research.
