MIXED

CLOSING OF SEASON

SUNDAY 2 NOVEMBER 2025

Irish Stableford - Team of Four (3 minimum) with a head start
using the Irish Stableford scoring method of using the best 2 scores per hole

Each team member tees off at each hole, the captain selects the best tee shot, then each member places their ball within 1 club length from this point no nearer the hole and plays out the hole with their own ball marking it as a normal single stableford.

The selected drive is counted as the first shot of each of the team members for that particular hole.

Each player marks a single stableford card or MiScore.

The team score is then calculated by the computer using the aggregate of the best 2 scores per hole.

A minimum of 4 tee shots required from each player.

Have an enjoyable day from the IGC Team
