2025

Men's Closing of Season

SATURDAY 8 NOVEMBER 2025

FORMAT:

Team of 4 Texas Stableford

Texas Stableford - Team of Four (3 minimum) -

using the Irish Stableford scoring method of using the best 2 scores per hole

Each team member tees off at each hole, the captain selects the best tee shot, then each member places their ball within 1 club length from this point no nearer the hole and plays out the hole with their own ball marking it as a normal single stableford.

The selected tee shot is counted as the first shot of each of the team members for that particular hole.

Each player marks a single stableford for themselves as a normal single round using MiScore (or scorecard)

The team score is then calculated by the computer using the aggregate of the best 2 scores per hole.

A minimum of 4 tee shots required from each player.

Have an enjoyable day from the IGC Team
