RAMSEY CUP SENIOR MEN'S MID-WEEK CHALLENGE

The Ramsey Cup is an Indooroopilly Golf Club challenge within a Golf Australia event, the Queensland Men's Senior Mid-Week Teams Challenge, which commenced in 2007. All major golf clubs within the region triangulated by Bribie Island Golf, Toowoomba and Coolangatta Golf Clubs (i.e. the triangle of South East Qld) are invited to participate.

Approximately 20 Clubs are part of this major annual event with IGC sponsoring two teams as the Club has two 18-hole golf courses.

While on the board of Golf Australia, Ian Read was a key person in establishing the event. Ian Bishop took over captaining Indooroopilly from Ian Read, Frank Ramsey took on the role 2013 and then Tony Rees in 2021. In 2025 co-captains of Indooroopilly Teams are Steve Hanson and Don Murray.

The event is a round robin between teams of the participating clubs generally held between April and August. It is a team match-play home and away over 18-holes with teams of eight players aged 55 years of age or older with a minimum of two members over 60 years of age. Four play singles matches off the stick and four play in two fourball teams with handicaps.

The main trophy is donated by Golf Australia and our team has won at least twice since inception.

The Ramsey Cup event is separate from the Golf Australia trophy. As we sponsor two teams, when Frank Ramsey was Captain of Indooroopilly Senior Men's Challenge Teams he introduced a separate competition between the two Indooroopilly teams. Following the conclusion of the Golf Australia event, our teams play against each other. As a reward to the winning team, Frank donated a replica cup of the British Golf Open, the Claret Jug, for the annual event. This cup was named after Frank by past IGC Captain, Jim Ross.

CLAIMING CUP

The Claming Cup is a team event between Indooroopilly and Brisbane Golf Clubs played annually at the alternate club. It became an official competition for this pewter cup in 1967 after being a social event between members of both clubs, played on the Gold Coast during the January school holidays in the early 1960's. The Cup is held in the loser's clubhouse for the ensuing 12 months when any member from the winning side can claim that it should be filled for their pleasure.

WEEKEND WOMEN'S TRAY

(Formerly Business Girls Tray)

Tray donated by Vesta and Jack Trobe in 1969. Vesta Trobe was Women's Captain in 1965-66. Thirty-six holes aggregate stroke (net) played by weekend women over two consecutive Saturdays. On the eve of the 1976 competition the trophy was placed in the Long Pocket safe which was blown up by burglars during the night. The tray was repaired but still bears some evidence of its mistreatment.

The original tray was fully engraved and replaced in 2015 with a new tray donated by long term weekend player, Jocelyn Dixon. Jocelyn joined Indooroopilly in 1958.

ANNE BOURNE CUP

*Middle: 2021/22 winner Mary Finucane, with Susan Kelso (left) and Peter Bourne (right)
Right: 2023 winner, Jamee Draper, with Peter Bourne*

Anne Bourne was a much-loved member of the weekend women's group from 1966 until her death in 2021. Her family donated the trophy for a competition between weekend women over the Summer break. The player with the best aggregate of three single stableford scores in any women's Saturday competition during that period wins the event.

Anne had a rich professional, cultural and sporting life. She was a respected statistician and an avid traveller with a keen interest in history. There were not many places in the world Anne had not visited – it is thought she had been to every country whose name ends in "stan".

The trophy is an excellent challenge over the Summer season and an appropriate tribute to Anne who considered golf should be played in all weathers – rain, wind, floods and searing heat being mere bagatelles.
